Introduction

Uniforms provide an important means of athlete identification and identity for the sport of Little Athletics. It is the responsibility of both Clubs and individual athletes to ensure they meet the requirements set out in this policy.

Little Athletics Queensland recognises that the style of uniform an athlete wears is a matter of personal preference. **Parents/caregivers** have the responsibility to ensure athletes are attired appropriately, considering factors such as:

- Sun protection
- Athlete comfort
- Religious beliefs
- Age appropriateness

All competing athletes must be attired in the correct Club uniform, which conforms to the Club design and colours approved by LAQ. The uniform must be worn in compliance with the items design, e.g. not rolled up or down. Failure to comply with this will lead to the athlete not being allowed to enter the competition arena.

NOTE: There are no age or gender requirements for the use of any uniform item.

1. Tops

Athletes may wear a polo shirt, singlet, crop top, t-shirt or bodysuit in the colours and design approved for their Club by LAQ.

All Clubs must provide the option of a polo shirt to ensure a sun-safe choice for athletes. Singlets, crop tops, t-shirts or bodysuits can be offered in addition, at the Club's discretion.

Crop tops are to be of sufficient size to clearly display the registration label so that the registration number and sponsor logo are entirely visible. The depth of the crop top must not be less than 15cm.

Compression garment tops must be the approved Club uniform in colour or predominantly black.

2. Logo & Patch Placement

Patches

- **Registration bibs** are to be affixed to the front of the uniform top.
 - Any method can be used to affix the bib provided it remains entirely visible at all times. The bib must not be cut or fold upon itself and should be affixed at least by all 4 corners.
- Commencing with the 2026/27 season, the **Coles patch** is no longer required on the **right breast** of Club uniforms as it is included on the registration bib.
 - Old Coles logos or patches are not required to be removed or covered up.
- **No age label (red patch with a McDonald's logo) is permitted on any uniform.** These ceased to be used after the 2024/25 season.

Logos

Front of Uniform

- One (1) Club sponsor or apparel manufacturers logo may be included in the centre, below the neckline, to a maximum size of 25cm².

Bottoms

Logos on Bottoms do not have specific locations, but if given the choice, should have one logo on the front of each leg.

3. Bottoms

Athletes may wear shorts, skirts, bike pants, racing briefs or compression garments as approved by LAQ.

- Athlete bottoms shall comply with the approved Club uniform colour or be predominantly black.
- Bike pants, compression garments and shorts shall be above knee length for walks events. Athletes not in walks events may wear full length compression garments or tights on their legs.
- One (1) manufacturer's logo is permitted provided it is no larger than 5cm x 5cm and located on the leg.

- For the avoidance of doubt, bottoms with large branded waistbands (e.g. NikePro) are **not permitted**.

4. Socks

Socks or compression socks are not considered part of the Club uniform.

5. Footwear

Please refer to appropriate section in the [Competition Rules and Regulations](#).

6. Sponsorship Logos

Any Club sponsorship logos must not conflict with LAQ sponsors or be of an inappropriate nature for children's sport (e.g. gambling or alcohol related sponsorship). If there is doubt as to whether a sponsor is inappropriate, prior approval must be obtained from LAQ.

Any logos on uniforms that do not follow the guidelines in this policy must be covered or the athlete will be asked to remove them.
